FOUNDER'S MESSAGE

Dr. Pankaj Bohra is an ace pediatrician with more than 7 years of active practice in Chinchwad, Pune. SNEH Foundation was a result of his experiences while helping the underprivileged community in his professional endeavors.

Dear Reader,

2017 has been a very busy and highly productive year for us at SNEH! We've been tirelessly fortifying our focus on children and their rights. If every child in this world gets education, nutrition and health, he/she will grow to become a great citizen/human being and can change the humanity for good. SNEH envisions the heaven on earth if we all work together for this mission leaving behind our personal priorities. To have empathy and love towards fellow human being is the key to make this world a better place to live on. So let's join hands to work towards this goal.

Join SNEH today to work for this common cause. Social service is the way to pay back to the society. I spend every weekend to rescue someone from illiteracy and poverty rather than sitting and cribbing about petty issues. If someone stronger breaks the chains and start looking beyond, we can end the world's misery in a flash of a second. The best part of serving the humanity is it does not require any illustrative qualification, but only a loving heart. People from diverse back grounds can work together and be a part of the CHANGE. "Communication & Commitment are the keys of success". This year we tried to work on the areas of development that are vital for living in the 21st century. Those are- Education, solid nutrition and Health. In the coming years, we plan to have services under all three areas, under one roof. As partners, you have been an integral part of what we have achieved today. Its because of supporters and contributors like you that we have come so far.

With faith and goodwill,

Dr. Pankaj Bohra

SNEH-Solid Nutrition, Health and Education for All

Dear Reader,

Thanks for looking at our annual report. Our Annual report talks about 'what we do', but here is 'what we believe'. SNEH Foundation believes in sustainable solutions to issues pertaining to Education, Health and Nutrition among the most marginalized population. We do not want to be an organization that seldom empathizes with people's problems and just works on temporary issues with mere interim results to show the world a pool of extravagant statistics of success stories. SNEH strives to dig out the deep rooted causes of people's problems, and offer them long-lasting solutions. We believe that feeding people for free or distributing materialistic assets to needy people doesn't encounter the basic quest. However, educating people to earn what they need, providing equal opportunities and knowledge to the so called 'Underprivileged' population, linking the Government facilities to the most needy beneficiaries, and making people aware about them is something that will surely be sustainable and a permanent solution to poverty, illiteracy, illnesses etc. Through our array of initiatives, we strive to educate people about Health, Education and Nutrition with a touch of empathy and compassion so that they do not depend on anyone unless its an emergency or requirement of funds.

From CEO's desk

As a part of SNEH Foundation, I truly believe that, the success of the organization and a true sense of being a difference to make the change rests in cognizant and committed impulse and urge by honest group of individuals; and having said that, we are lucky to have an extremely dedicated team of employees, donors and volunteers who are making a difference instead of cribbing about the problems of our nation. Come, Join us and experience what is it to be a SNEHi !!

With faith and goodwill,
Shradha Deo

Project-wise Impact

Nutrition (Poshan)

COMAL - Overview

- SNEH Foundation is the implementing partner of TATA Motors' CSR health initiative 'Arogya'.
- We are working together for four years to combat malnutrition (COMAL) in the most marginalized communities of Pimpri-Chinchwad Municipal Corporation (PCMC), Pune.
- COMAL adheres to the Community-based Management of Acute Malnutrition Model (CMAM) endorsed by UNICEF and WHO
- Awareness related to preventive methodologies is spread in the community so that healthy children do not suffer from malnutrition

SNEH Foundation

Regd No. - E-3042-Pune

COMAL - Impact

- 90% children from 2017-18 have moved to the healthier zone.
- 10000+ families indirectly impacted by conducting street plays, digital sessions, recipe sessions, health check ups, rallies etc. in the communities.
- 1000+ severely and moderately malnourished children have been identified till date from around 17 slum pockets of PCMC. In 2017, 272 kids from 8 slum pockets were the target beneficiaries.

- The project was initiated in liaison with Integrated Child Development Services (ICDS) popularly known as "Anganwadis"
- 500 + severely and moderately underweight children have been identified from 30 Anganwadis and the awareness-based intervention has been done

COMAL Kothrud

- Multi-dimensional theme-based approach was being implemented for mass awareness and home visits covering "frequency of food", "food pyramid", "baal-kopara (Food corner for kids)", "recommended dietary allowance" etc. to ensure sustainable development.
- 5000 + community residents were made aware about topics like cleanliness, nutrition, importance of healthy food, growth of children, ways to make low cost nutritious food etc.

From Survival struggle to Rehabilitated life

Through the child welfare committee, the three kids namely- Soham (3yrs), Jamuna (7yrs) and Renuka (12yrs) have been rehabilitated in an institute named 'Maher' with constant efforts by our social worker Ms. Meenakshi.

Education (Gyan)

SNEH Pre-school - Overview

Our vision is to have a chain of SNEH preschool, especially for girls, in all the disadvantaged sections of the country so that Education, Nutrition and health are taken care of under one roof

In 2017-18, the activity-based model of teaching was followed right through the start. Each concept has been taught to the students with utmost care and detailing so that the students are conceptually clear

Parents involvement was enhanced in both preschools through activities like individual PTMs, activities by parents, exhibition of activities made by parents, healthy cooking competition etc.

Educating parents about importance of early childhood education, awareness about documents required for RTE admissions, involving them in their child's education was a real challenge in Preschool red considering the locality and kind of population that recites in the vicinity. However, all the challenges were accepted and taken care of skillfully

SNEH Preschool Impact

2x Strength

Starting off with 25 kids in its first year (SNEH preschool **Rainbow**, 2015) strength got **doubled** in just one year. In 2017, we initiated SNEH preschool **Red** located at Shanti Nagar, Bhosari.

Enrollment

250+ kids have been benefitted till date. Currently, we have enrolled 150 children in both Preschool Rainbow and Red from the most marginalized families

Lorem Ipsum

Sponsors

School works on a Sponsorship model where every kid's education is partially sponsored by a well-wisher. 300+ sponsors have come together till date to support the initiative.

Right To Education

Our change makers have ensured that 100% of the kids are enrolled to primary education wither through RTE or otherwise.

Project GYAN - Kalakhadak

Project Gyan was started with a vision to educate children from the slums despite their formal schooling going on simultaneously. Kalakhadak and Shanti Nagar were the two slums in PCMC, Pune where the project was started.

Through Project Gyan around 70 kids of the community - The Future, was supported in terms of evening classes, mostly on weekends within their community itself till 2017

In 2017-18 around 150 kids attended the daily (all seven days) support classes within the community

Evolution

SNEH also arranges various other activities for the benefit of the community viz. health check-ups, street plays, donation drives, participation in various competitions etc. to name a few

We also wish touch upon the health and nutrition of these children so that all their major needs are met. Along with the daily classes,

A "learning center" has been started where kids come together with other kids of their age, study and evolve as a holistically developed being

Inter-NGO Events

Project Gyan, unlike, tuitions for children, is way more than a center to improve academic performance. It's a hope for children who like to dream big and achieve them by working hard.

It's a place where they can express themselves freely and learn as much as they want. It's a ray of light to a brighter future. Through Project Gyan we aim to improve the community of Kalakhadak, as a whole, in the coming future through our various activities for the awareness of the community population on topics like health education, nutrition etc.

A trigger to bring out the talent

Nagmin (11 years), As she was shy, she never participated in any events. Project Gyan team started working on her and helped her to realize her strength of drawing Mehndi, which gave her a strong reason to give it a try and participate in Mehendi competition. In her maiden try, she stood second in that competition and then she never turned back. Soon Nagmin and her mother will be starting a Mehndi teaching course in Kalakhadak area. Our best wishes are always with her.

This story is something that gives us strength to bring a sustainable change in lives.

When Azim discovered his Aim

14 years old who used to roam aimlessly and had started getting indulged with teen mafias of Kalakhadak slum. In 2017 SNEH project Gyan at Kalakhadak started working on Azim. With continuous efforts, we brought Azim back to mainstream kids, however the gamechanger was to take him to participate in an Inter NGO sports event where he realized his real dream of becoming national level athlete in Long Jump. He started saving money for a sports kit, practicing hard, and he also got serious in studies too. This was enough to open his father's eyes as well who has recently decided to quit drinking for his son.

We cannot predict his future but we can definitely say that he is no more aimless.

A photograph of two young children in a crowd. The child in the foreground is a boy with dark hair, wearing a grey sweater with a 'RUPA THERMO' tag and a black necklace. The child behind him is a girl with dark hair, wearing a pink hoodie with 'EST.' on it. The background is a blurred crowd of people.

Health (Vatsalya)

"It is health that is the real wealth and not pieces of gold and silver"

- Mahatma Gandhi

Vatsalya - Overview

Our team of doctors with diverse specializations and with their help, regularly organize health awareness sessions, medical camps,

HB camps for adolescent girls and mothers. Additionally, critical health cases in the communities were also addressed.

First part

Focusses on eradicating Anemia by targeting female students from 7th- 10th Standard from corporation. Schools. This is done primarily through Hb camps, medical intervention for those students whoa are found to be anemic along with awareness and counseling to ensure sustainability.

Second part

Importance to maternal health and new born care where SNEH surveys area and identifies cases and work out with them for awareness on maternal health.

Third part

Deals with health issues of beneficiaries that are from the marginalized families. We supported patients with various health issues like TB, cardiovascular disorders, cleft palette, cancer, thalassemia, sickle cell anemia, Anemia, ophthalmological issues, gynecological issues etc.

Vatsalya - Impact

- ❖ This year saw us collaborating with PCMC education department targeting all the **18 corporation schools** for this initiative.
- ❖ Pre-tests for Hb have been completed in **8 PCMC** schools along with intervention in terms of medication and counseling sessions
- ❖ Weekly/fortnightly home visits were given to 75-80 pregnant females to ensure they are following the medical check up routine, whether the Govt. Hospital staff is catering to high risk cases well, nutritional information, care to be taken during pregnancy etc.
- ❖ 5 sessions have been conducted from January 2018 to March 2018 on topics like: introduction of Vatsalya along with health session and a cultural event, mental health during pregnancy, cleanliness campaign, women's day etc.

We make living by what we get but we can make lives by what we give

SNEH Admitted all these three kids to Rashtriyahit Sewa Sangathan school in Sukhrali Gurgaon.

Both their parents work and will be able to give monthly fees but could not afford one time admission fees required for books and uniform. Their family was grateful to us and we feel proud that we as a unit are attached with the same string to bring happiness

व्यायामाबरोबर आरोग्यासाठी पोषण आहार गरजेचा

डॉ. सचिन वाणी यांचे प्रतिपादन : कोथरूडमध्ये पोषण आहार सप्ताहानिमित्त प्रभातफेरी

कोथरूड दि. ३ - खालेल्या अज्ञाने व्यवस्थित पवन होण्यासाठी व्यायाम आणि शारीरिक हलचालीची आवश्यकता आहे. व्यायामाबरोबरच उत्तम आरोग्यासाठी पोषण आहार घेणे गरजेचे आहे, असे मत डॉ. सचिन वाणी यांनी व्यक्त केले. एकात्मिक बालविकास प्रकल्प, दिवा प्रतिष्ठान व स्नेह फाउंडेशनच्या वतीने ३० व्या राष्ट्रीय पोषण आहार सप्ताहाच्या निमित्ताने आयोजित करण्यात आलेल्या कार्यक्रमात ते बोलत होते.

कोथरूड : राष्ट्रीय पोषण आहार सप्ताहानिमित्त अंगणवाडीसेविका व मदतनीस यांच्या वतीने कोथरूड भागातून पोषण आहाराचे महत्त्व पटवून देण्यासाठी प्रभातफेरी काढण्यात आली.

डॉ. सचिन वाणी म्हणाले की, व्यायामाबरोबरच समतोल आहार गरजेचा आहे. त्यामुळे राहणीमानात बदल करण्याची आवश्यकता आहे. यावेळी एकात्मिक बालविकास प्रकल्प आधिकारी पी. वी. शिंदे, दिवा प्रतिष्ठानचे अध्यक्ष हर्षवर्धन मानकर, स्नेह फाउंडेशनच्या संचालिका आशा देव, सामाजिक कार्यकर्ते दिलीप कामडे, अर्चना चंदलशिवे, सुनिता खरात व अंगणवाडी पर्यवेक्षिका उपस्थित होत्या. दि. १ ते ७ सप्टेंबर हा सत्र राहणार पोषण सप्ताह म्हणून साजरा केला जातो.

वडगाव मावळ : वार्ताहर

लायन्स क्लब ऑफ वडगाव व स्नेह फाउंडेशन यांच्या संयुक्त विद्यमाने रावविण्यात आलेल्या सायकल दत्तक योजनेंतर्गत जमा झालेल्या ५० सायकली दुरुस्त करून ग्रामीण भागातील गरजू विद्यार्थ्यांना वाटप करण्यात आल्याने संबंधित विद्यार्थ्यांची पायी फरपट थांबली आहे.

येथील पंचायत समिती कार्यालयामध्ये सभापती गुलाबराव म्हाळसकर, उपसभापती शांताराम कदम यांच्या हस्ते व गटविकास अधिकारी नीलेश काळे, गटशिक्षणाधिकारी संजय तांबे, तालुका आरोग्याधिकारी डॉ. चंद्रकांत लोहारे, लायन्स क्लब आरोग्य व स्वच्छता विभागाचे प्रांतप्रमुख भूषण मुथा, लायन्स क्लबचे अध्यक्ष आदिनाथ ढमाले आदींच्या उपस्थितीत सायकलींचे वाटप करण्यात आले.

या उपक्रमाविषयी माहिती देताना भूषण मुथा यांनी सांगितले की, सायकल दत्तक योजनेंतर्गत जुन्या व पडीक सायकली जमा करण्याचे आवाहन लायन्स क्लब व स्नेह फाउंडेशनच्या वतीने करण्यात आले होते. त्यानुसार सुमारे ५० ते ६० सायकली जमा झाल्या व त्या दुरुस्त करून त्यांचे ग्रामीण भागातील सुमारे ३ कि.मी. पायी प्रवास करणाऱ्या गरजू विद्यार्थी व विद्यार्थिनींना वाटप करण्यात आले.

सभापती म्हाळसकर म्हणाले की, या सायकलींमुळे संबंधित विद्यार्थ्यांचा अनेक दिवसांपासूनचा पायी प्रवास थांबणार असून, वेळही वाचणार असल्याने त्यांना अभ्यासाला मदत होणार आहे. विद्यार्थ्यांची गैरसोय लक्षात घेऊन रावविलेल्या या उपक्रमाचे विशेष कौतुक आहे.

उपसभापती कदम यांनीही या उपक्रमाचे कौतुक करून, अशा प्रकारचे उपक्रम सर्वत्र रावविले गेले पाहिजेत, अशी अपेक्षा व्यक्त केली. गटशिक्षणाधिकारी तांबे यांनी विद्यार्थ्यांची होणारी पायी फरपट या सायकलींमुळे थांबणार असल्याचे सांगून त्यांना योग्य मदत मिळाल्याचा उल्लेख केला.

कार्यक्रमास, सहायक गटविकास अधिकारी अप्पासाहेब गुजर, विस्तार अधिकारी एम. एम. कांबळे, टिळेकर, सुधाकर म्हंकाळे, केंद्रप्रमुख, विविध शाळांचे मुख्याध्यापक, शिक्षक आदी उपस्थित होते. लायन्स क्लबचे पदाधिकारी संजय भंडारी, प्रदीप बाफना, नंदकिशोर गाडे, बाळासाहेब बोरावके, अमोल मुथा, संजय गांधी, मुस्ताक शेख आदींनी संयोजन केले. भूषण मुथा यांनी सूत्रसंचालन केले, तर आदिनाथ ढमाले यांनी आभार मानले.

Geetanjali Kadato, Advocate

An advocate with over 17 years of experience, she started her journey with Delhi University. She completed her LLB from the Symbiosis University, because she always wanted to do something that would earn her respect and in society as a woman. Later, she joined a Law Firm with the Supreme Court and began her practice, and the interest grew. Her core branch being civil law, she also handles cases of Human Rights, property disputes and land mitigation. "The exciting part of being an advocate is that each case is unique, to be handled differently. While solving cases, I realised that my interest turned into a passion, and this is something that I really enjoy doing," she says. "Wanting to be the one to swim against the current, the biggest satisfaction for me is when seniors appreciate her or when she sees a smile on the client's face. The biggest challenge that she faced during the beginning of her career was the disbelief that a woman "cannot handle law or solve cases". She says, "It is the passion that makes one successful, not the gender".

Shradha Deo, CEO, SNEH Foundation

What began as a simple job search for CEO, transformed into a something that she absolutely roots for. "Oftentimes, people feel tensed about going to office, but for me, going to office which I absolutely love," says Deo. A clinical psychologist, Deo has worked with the children and adults alike in her career. "The biggest satisfaction for me is the smile I see on the parents face when they see their children get the opportunity to get formal education. Conducting many workshops, and working with children gives me immense joy." "My job is very fulfilling," she continues. "I return each day with a big smile on my face." Speaking of hardships, she says that sometimes funds run dry, and that creates a problem. However, being the CEO, nothing feels like a hardship to Deo.
